

**2017 Institute for a College-Going Culture**  
**Advising and Scheduling to Impact Student Academic Achievement**

Cooperatives/Internships- **Logistics Dual Credit Program**  
Lloyd Memorial High School, Erlanger, KY

If a student participates in the Logistics Dual Credit Program it will provide them the opportunity to complete 6 credit hours of foundational coursework in Supply Chain Management and receive work-experience through a Co-Op placement during their senior year in high school. In addition, the student will receive career pathway mentoring from their sponsoring company.

**Gateway Community & Technical College Program Structure**

**Fall Semester**(August-September)

LOM 100 Introduction to Logistics Management(first 8-weeks)

LOM 102 Supply Chain Management(second 8-weeks)

**Spring Semester**(January- May)

Co-Op Placement at sponsoring company(including Perfetti Van Melle,  
DHL Express, DHL eCommerce, Cengage Learning, Bosch, Legion  
Logistics, LeanCor)

**Results from pilot year (2016-17)**

\*20 students participated

\*19 will continue employment through the summer

\*At least 6 of these students will continue working at their location while attending a local college/technical school taking advantage of the tuition reimbursement provided by their company

\*At least 3 students will continue pursuing degrees/certifications in the area of Logistics

**Additional benefits of this program:**

Aligns with the Work Ready Kentucky Scholarship

Students earn two industry certifications in Logistics Operations

Logistics Career Pathway was accepted in May as a Pilot Program
